

Fathers Against Child Sexualisation

Putin is a fascist brute but maybe he also wants to protect his children from this Tatchell-promoted sexualisation:

1. Tatchell advocates teaching anal sex and sadomasochism to school children:

“Sex education has an obligation to give all the facts and tell the whole truth about every kind of sex and relationship. This includes... anal intercourse and sadomasochism... Nothing must be off limits.” www.petertatchell.net/sex_education/schoolsex.htm

2. Tatchell bewails robust punishment of pederasts:

“...any man who has sex with Lee (a 14 year old boy) could face a maximum sentence of 10 years for kissing, touching, sucking or wanking, and life imprisonment for anal sex.” www.petertatchell.net/lgbt_rights/age_of_consent/14-gay-boyfriend.htm

3. Tatchell quotes sex abuse of 9-year-olds as “great joy”:

“Several of my friends – gay and straight, male and female – had sex with adults from the ages of 9 to 13. None feel they were abused. All say it was their conscious choice and gave them great joy... It is time society acknowledged the truth that not all sex involving children is unwanted, abusive and harmful.” *The Guardian*: 26th June, 1997

4. Tatchell contributes chapter on reducing age of sexual consent to 1980s paedophilia book about (inter alia) ‘Incest’, ‘Child Pornography and Erotica’, ‘Child Prostitution’ and ‘How to Make Paedophilia Acceptable’, edited by paedophilia advocate and former vice-chair of *Paedophile Information Exchange* Warren Middleton:

“(I)n the realm of sexual ages of consent, we need to ask whether the law has any legitimate role to play in criminalising consenting, victimless sexual activity.” *The Betrayal of Youth*, p 118

So who offers the greater threat to our children’s welfare?
